

# Who is NetRex?

We are a leading **IT company** offering **hosted video** services for **professional installations**. Since 2006, we have been continually exploring and discovering ways to **deploy modern network video technologies** with the ubiquitous internet. We strive to bring new ways to provide security, better control, and increase work efficiency.

We are a Czech company with a **presence and many installations in most European countries**. We have a **strong development team** and our close cooperation with the leading **IP camera** manufacturer, Swedish company **Axis Communications AB**, allows us to provide operational solutions to fulfill even the most demanding customer requirements. We believe that our services under the banner **"NetRex – Your Third Eye"** will appeal to you as well.

# NetRex Add-ons

The overview of add-ons and supplementary services for the NetRex platform.

Just do it smart!

Certification & Membership:

## What NetRex Add-ons offer?

Expand the functions of the NetRex platform with **add-ons** that directly correspond to your needs. Choose from **ready-made** functionalities or ask for **a custom-made solution** and get tools that will help you level up your business.

### Custom Add-ons

Do you want to be notified about the temperature of freezers or receive e-mails with photos of shelves to check the restocking of goods? Or, do you have a completely different and **quite specific need** that NetRex can fulfill? Let us know! Thanks to **our own development team**, we not only constantly improve our system but are always prepared to face new challenges.

## Add-ons Overview

Use the potential of your AXIS camera and the NetRex platform fully with our **ready-made add-ons**.

### 01 Opening Hours Monitor

- Watch over the **opening hours** of your store with the help of an add-on that thoroughly monitors all openings and closings, and **immediately informs about any irregularities**.
- Just install a magnetic contact on the store security shutter and the **NetRex platform with the add-on** will take care of the rest.

### 02 POS Monitor

- Watch the **checkout system interface** live via the security camera and be sure that the **cash transactions are performed correctly**.
- No hardware is needed to run this add-on, the **NetRex platform, ShareX** application installed on the PC with the checkout system, and **CamOverlay App** will manage everything.

### 03 Cash Register Monitor

- Be informed about who and when opens the cash register. In the event of **unauthorized handling**, the NetRex platform will immediately alert you and you can intervene without delay.

### 04 More add-ons

- Connect the NetRex platform with a **SOS button** and get immediate notifications for workplace incidents. You can also connect the platform with **speakers** to expand your surveillance solution and to easily communicate with your employees and customers.

## What we provide for you:

### The solution proposal

We will build a solution that **suits your needs** using the catalog of our services.

### Installation and training

Our team will **install** everything for you and **explain** in detail how the system **works** and how to **operate it**.

### Support

Our **helpdesk** will help you at any time. In most cases, we can solve the problem remotely without a technician having to come out.
